BSRIA

Making buildings better...

BSRIA is a test, consultancy, instrument, research and market research organisation. We work with construction and building services companies and their clients to help them Make Buildings Better.

We are an independent member based association and a source of authoritative guidance for the industry.

Our members and customers have access to the expertise of 180 staff, based in offices across the UK and overseas, and 4,000 square metres of laboratory space, for both bespoke and standard testing.

Publications

BSRIA publications are authoritative, independent and cover a wide range of topics relating to best practice within the building services industry.

BSRIA authors are industry leading experts, that in addition to their academic expertise, have a wide range of industry experience enabling them to provide solutions that allow for the implementation of best practice into daily routines.

BSRIA produces a wide range of publications that cover traditional topics as well as the newest developments impacting the industry.

Membership and information

BSRIA membership is corporate so everyone in your company can benefit from practical guidance, online information services, networks and webinars will give you the commercial edge.

Members benefit from online access to the latest policy and legislation, unlimited ordering from our extension library collections of industry standards, books and journals, technical advice from the BSRIA information centre.

Recent releases

- ▶ *Classification - An introduction* (BG 68/2017)
- ▶ *Life Safety and Firefighting Power Supplies* (BG 70/2017)
- ▶ *Sustainable Construction Set* (SUST1)
- ▶ *Maintenance Contracts: A guide to best practice for procurement* (BG 66/2016)
- ▶ *Building Performance Evaluation in Domestic Buildings* (BG 64/2016)
- ▶ *Business-Focused Maintenance* (BG 53/2016)
- ▶ *Floor Plenum Airtightness - Guidance and testing methodology* (BG 65/2016)
- ▶ *Life Cycle Costing* (BG 67/2016)
- ▶ *Model Format Specification 2nd Edition* (BG 56/2016)
- ▶ *Building Maintenance Set of 5* (BFM5)

Licensed versions

BSRIA's licensed versions will give your whole office access to best practice information and the related checklists and proformas. Single-site or multi-site versions are available.

Benefits of licensed versions:

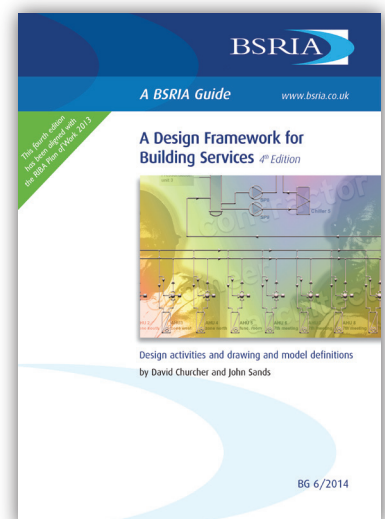

- ▶ your whole company can access an unlocked pdf and Word or Excel version of the guide ensuring everyone is working to the same standards
- ▶ content can be edited, copied or added to your documents
- ▶ the time taken to retype documents and the risk of introducing errors is reduced
- ▶ cost savings can take place through greater efficiency of working practices

Available in licensed versions:

- ▶ *Design Framework* (BG 6/2014)
- ▶ *Building Services Job Book* (BG 01/2009)
- ▶ *Commissioning Job Book* (BG 11/2010)
- ▶ *Rules of Thumb* (BG 9/2011)
- ▶ *Illustrated Guide to Mechanical Building Services* (BG 31/2012)

Design Framework 4th Edition Licensed Versions

Licensed versions of Design Framework contain an unlocked PDF and editable version of all the proformas and tables that can be used by your whole company. Single site versions are available for the use of one office and multi-site versions are designed for companies with many offices.

The benefits of licensed versions include:

- Free updates for a 2 year period
- Copy text, tables and proformas into internal documents
- Your whole company can follow the same set of guidelines
- Risk of errors is reduced
- Greater efficiencies can result in cost savings

"BSRIA's licensed guides will save us time when putting together internal documents, will help our staff work to the same set of standards and will ultimately result in cost savings"

COMMISSIONING GUIDE SET (COMPAK3)

BSRIA's set of 7 guides contain all the latest procedures for commissioning HVAC systems and pre-commission cleaning of pipework. Save money when you buy these guides as part of set. The set contains:

- BG 2/2010 Commissioning Water Systems
- BG 8/2009 Model Commissioning Plan
- BG 11/2010 Commissioning Job Book
- BG 29/2012 Pre-Commission Cleaning of Pipework Systems
- BG 49/2015 Commissioning Air Systems
- BG 44/2013 Seasonal Commissioning
- BG 46/2015 Domestic Ventilation Systems
